**Prescribed Titles for Religious Education Journal Work
for Junior Certificate 2012 and 2013**

1. A new syllabus for Religious Education was introduced in September 2000 and was examined for the first time in the Junior Certificate examination of 2003.
2. The syllabus indicates that the assessment of Religious Education will have two elements – (1) a final written paper, and (2) journal work. The titles for journal work for the Junior Certificate examination of 2012 were issued with Circular S93/10. The titles for journal work for the Junior Certificate examination of 2013 are attached, as are the titles for 2012.
3. These titles are common to Ordinary Level and Higher Level. Candidates are required to submit journal work on **one title only**.
4. The subject will be assessed externally at Ordinary Level and at Higher Level. **At both levels, journal work will account for 20% of the marks. Please note that this mark allocation supersedes that given in the syllabus for Religious Education.**
5. In undertaking journal work candidates may work in groups or undertake a visit or investigation as a whole class. However, each candidate must complete and submit an individual journal for assessment.
6. Guidelines for undertaking journal work are included in *Religious Education - Guidelines for Teachers* which was issued in June 2001.
7. The journal work must be submitted in a standard form in a booklet which will be supplied for that purpose by the State Examinations Commission. Candidates taking the examination in 2012 will be supplied with the booklet in November 2011. Candidates taking the examination in 2013 will be supplied with the booklet in 2012.
8. Please bring this circular and the attached lists of journal work titles to the notice of the teachers concerned.
9. Please provide a copy of this circular to the appropriate representatives of parents and teachers for transmission to individual parents and teachers.
