

# INTERNATIONAL DAY OF PRAYER FOR CLIMATE JUSTICE

**Sunday 1<sup>st</sup> November**

Climate change  
is unjust because it is  
future generations and those  
who contributed least to  
creating the problem  
that suffer most.

**WE POLLUTE**  
**- OTHERS PAY**

On this day Christians throughout the world will pray for the success of the UN Climate Change Conference taking place in Paris from 30 November – 11 December 2015.

The Conference aims to achieve an international agreement to reduce the greenhouse gas emissions that cause climate change.

**The SMA will mark this day by Prayers in its communities and Parishes. Join us in prayer, from your home or wherever you are on Sunday, 1 November.**

We will pray that a meaningful treaty will be reached and that we, as individuals and communities, will act for climate justice by showing greater care for creation in our daily lives.
