

RESURRECTION

The Resurrection is the wildest news that has ever touched this crazy, mixed-up world.

It says, Yes!

When everything else says No!

It says, Up!

When everything else says Down!

It says, Live!

When everything else says Die.

Yes, Easter really wants to come - so don't you see that stone has got to go?

That stone of fear...of selfishness and pride.

Of greed and blindness, and all the other things we use to keep Jesus in the tomb.

So here's to rolling stones away - to give our Lord the chance he needs to RISE and touch a troubled, lonely world.

Some call it Resurrection.

It's wild with wonder; it is beautiful and real.

It touches and it heals.

Yes, Easter, you can come!

I will roll the stone away and set you free."
